

# welcome home.

Let's change the world.

## Mobile UI/UX Designer

At Runtastic we believe in helping people improve their fitness and overall health. Moreover, we believe in creating an exciting work environment in which we can thrive **personally, professionally...** and **even physically**. Team members from all over the world get together in our inviting offices to tackle **unusual and fascinating challenges** every day. We offer **a number of benefits** and let our creativity run wild on our **Days of New Ideas**. Because only if our employees are happy can our hundreds of millions of users be happy too.

 **FULL TIME**

 **LINZ**

### YOUR MISSION

As part of our international and creative Design team you will be responsible for the UI and UX of our app portfolio. You will be an innovative force of our industry-leading user experience by:

- Thinking through the product from all relevant angles
- Creating engaging user experiences that work as native apps for various user needs and behavior
- Contributing to the Runtastic brand message conceptually as well as visually
- Developing pixel perfect specs and assets, as well as detailed UI specifications and style guides

### YOUR PROFILE

- Expert knowledge of all relevant design tools, such as *Sketch, Prototyping tools, Adobe suite*
- Up-to-date knowledge of *iOS* and *Android* platforms and their design guidelines
- Excellent visual design skills, outstanding creativity and conceptual know-how
- Professional know-how in user experience methods and a strong user centric approach
- Being comfortable with using data for improved user experience
- Ideally, experience in using animation to improve UX
- Very good English skills
